CHAPTER 4
DR. KISHIWADA GETS ANGRY—

He may look like this, but that's just him being in a trance. It doesn't mean he's angry.
Because Dr Kishiwada has sold his soul to science he is a very calm person who rarely gets angry. Sometimes in the middle of his research...

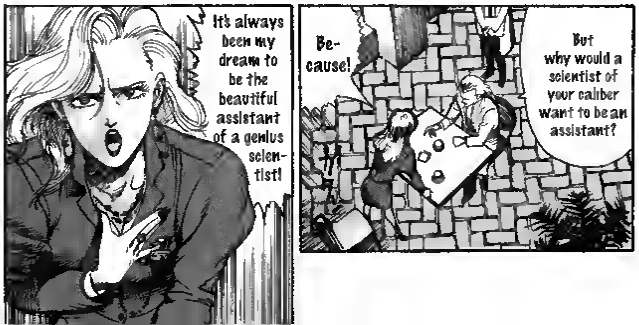
Anger No.2
And so I've decided that I want to be your assistant.
Naturally with my looks and my brains only a tiny number of people have what it takes to be my master



But why would a scientist of your caliber want to be an assistant?
Be-cause!
It's always been my dream to be the beautiful assistant of a genius scientist!

Bwahaha!
Please make me your assistant! I'll do it for free!
A genius scientist, feared the world over as a crazed demon of science! And the beautiful assistant at his side a bewitching red rose with poisonous thorns! Aah, I've dreamt of it since I was in grade school!
Please call me Jennifer
I just have...
One little condition
Wait a second!
I don't know what's going on, but I like it. You're hired!
I want to feel your trust for me as an "assistant"...
Be less formal...
And a little bit of love for me as a "woman"!
Please don't add the "Miss!"
Don't say that please!
But your name is Hanako Doyama.
Very well...Miss Jennifer
